Message from Dara Calleary TD

Minister for Rural and Community Development and the Gaeltacht

Welcome to the 2025 Ossory Agricultural Show

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position to support the Ossory Agricultural Show for 2025. My department will again this year provide 1 million to over 120 other agricultural shows combined across the country, including your own event here in Rathdowney.

Ní hamháin gur ceiliúradh ar shaol na tuaithe agus ar thraidisiúin na tuaithe iad seónna, is ceiliúradh freisin iad ar an nuálaíocht agus ar scoth na tuaithe. Déanann na seónna ceiliúradh freisin ar atá i gceist agus ar an tábhacht atá le Meitheal a bhfuil rath na bpobal seo ina croílár.

Like the show here in Rathdowney, each local show around the country continues to be a key social event in the agricultural calendar. They have so much to offer, not just in terms of the competitions that are taking place here today, but also for the platform they provide to local businesses, local farmers and for local craft and artisan food producers. The local show is also one of the best days of the year for meeting neighbors and friends.

Your local shows provide a great link between our towns and villages and the rural hinterlands that support them. A place where exhibitors, producers, farmers and the wider public meet face to face to share all that is good about life in the countryside.

Each of the shows taking place this year has something special that makes them stand out from the rest. It may be the pedigree livestock competitions or perhaps the exhibitions and food offerings. Whatever it is, your local agricultural show has something for everyone.

I would like to acknowledge the work that goes on for many months behind the scenes to bring this show to fruition. The efforts of committee members and local volunteers are a testament to how much this show means to the locality. Of course, there is a sense of local rivalry for those much-coveted titles and awards, but it is always in the very best of spirits. The way in which neighboring farms and parishes come together to support each other is a key component of country life. This sense of Merithal is always on display as part of the local show.

Today is a chance to take a break from the busy farming schedule this time of year. I hope those of you attending the show this year thoroughly enjoy the day and that it gives everyone a chance to celebrate all that is good about rural Ireland. I will be visiting several of the shows around the country and meeting as many of you as I can.

Dara Calleary TD

Minister for Rural and Community Development and the Gaeltacht

IHFA YMA Showmanship League 2025

Y.M.A. is the Young Members Association of the Holstein Friesian Association (IHFA). The ethos of the association is to foster young members in Holstein Friesian breeding and impact the necessary education and skills. Last year the National YMA Committee in conjunction with numerous local shows introduced a 'Showmanship League' as a new competition. The objective is to give YMA members the opportunity to hone their showing (showmanship) skills and experience by providing regular competitions in a

show setting. The results are recorded which form the basis of a league format. At the end of the summer show season a final will be held where the overall winners will be presented with their prizes.

The Following 3 Classes are Sponsored By: Special Nutrition.

FINAL BALLINROBE SHOW SUNDAY 7TH SEPTEMBER 2025

SHEEP

Identification

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

Movement Documentation

All consignments of sheep being moved must be accompanied by a completed dispatch document.

Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the local District Veterinary Office in the county where the flock is located.

AIM Notification

The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows:

1. The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full.
2. The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp and (iv) signs the dispatch document.
3. The show secretary then forwards the completed pink section of the dispatch document to the local DVO within 7 days of the show movement.
4. The show secretary keeps a white copy for his/her records.
5. The source/destination keeper keeps the bottom yellow copy to enter it into their flock register.

Ultimate responsibility for fulfilling this requirement lies with the Show Secretary.

Flock Register

All movements of sheep to and from shows must be recorded in the keeper's flock register.

Exports to Northern Ireland

All sheep must be accompanied by a TRACES intra-community trade certificate for ovine animals. A TRACES message, corresponding with the TRACES certificate, will be sent for each animal or consignment being dispatched to the show (this will be performed by Department officials of the DVO). Exhibitors are advised to contact the show society in Northern Ireland well in advance of any show to determine the suitability of the show for return of animals (e.g. premises and sheep status), and whether the authorities will have officials and veterinary staff present to supervise and process documentation for animals returning to origin.

Attendance of sheep from scrapie monitored flocks at shows and sales in 2018

Shows between 1st May and 30th September

Sheep from scrapie monitored flocks will be permitted to attend agricultural shows taking place between May 1st and September 30th without restriction or separation from other categories of sheep.

Shows outside that period

For shows taking place before May 1st or after September 30th, sheep from scrapie monitored or probationary flocks must be separated from other sheep as follows:

There must be complete separation of monitored/probationary sheep from other categories of sheep at the show. Ideally, this would mean a separate entrance and exit for each group, separate loading and unloading areas, separate penning areas for each of the two groups.

In locations where all of the above may not be possible, the minimum requirement would be the separate loading and unloading and also of penning areas. The two areas should be separate by a sheep-free alleyway, at least 12 feet wide. If only one showring is available, the sheep from the scrapie-monitored flocks must be shown first.

HORSES:

Specific Requirements Horses & Other Equines

As from 1st May 2012, any premises (which includes shows, fairs and markets) where horses or other equines are gathered must be registered with the Department of Agriculture.

Owners/persons in charge of such gatherings are required to submit a completed application form for registration and to keep records of movements on/off their premises. Records must be retained for at least 3 years as they may be required by the Department for the purposes of tracing disease. It is important therefore that Show organisers should contact their local Regional Veterinary Office in advance so that consideration can be given to compliance with the requirements.

Any further information on the requirements for moving of horses and equines to shows will be provided on the Department's
